Together, we will achieve!

Number Day 2019

Dear Parents/Carers,

On Monday 4th February, Shepherdswell Academy will be having its annual Number Day in aid of the children's charity, the NSPCC. This year, we will be having a focus on the children's application of number to everyday activities. In class we will be baking cakes, making number hats and playing lots of Maths games!

This year the children will be having the opportunity to buy their cakes during the afternoon at our very own 'Shepherdswell Number Market'. This will be another opportunity for the children to apply their Maths skills to real life experiences with a tasty treat at the end!

Please could your child come into school with loose change - they will not need more than 20p. All the money raised by the children when buying their cakes will go to the NSPCC.

Yours Sincerely,

Katie Webb
