Dear Parents/Carers

Weekly Vote - MarvellousMe

At Shepherdsweil we value good citizenship and from an early age and we encourage the children to develop their own sense of what is right or wrong; essentially we encourage them to hone their own sense of justice and to be reflective about their own behaviour choices. The weekly vote is now going to be conducted each week under the humanities umbrella, asking questions which provoke thought and stimulate conversations in class and at home about fairness and equality in the world, as well as bringing wider global issues into focus for debate.

We would now like to share some exciting news with you. We are now launching the parents vote through the MarvellousMe app to try to involve as many parents/carers as possible in these debates.

What we would like you to do is: If you all agree and would like to vote YES please High five the post. If you disagree and think NO do nothing.

Your votes will be counted and published each week in school and on the website. For this week only we will continue with the vote on Thursday at 3.30pm and close the vote tomorrow, Friday as usual at 3.30pm. **However** from next week we will be sending out a MarvellousMe on a Monday afternoon with voting ending at 9.00am on a Thursday. This will give you extra time to discuss with your children. Happy voting! and thank you for your continued support.

Sam Collins

Humanities coordinator
